Petition to Proceed

This is a file comprised of, among other documents, a statement of the student's proposed program of studies, the M.A. thesis or research papers, and the M.A. examinations, must be submitted to the faculty of the relevant language program no later than the quarter following the completion of the M.A. requirements.

Required

- Petition cover page form signed by student
- Statement of purpose
 Explain as concretely as possible you academic plans and goals, and indicating the faculty members with whom you expect primarily to study. Discuss in precise terms the relation between the studies you have already pursued up to this point and your proposed Ph.D. work. It may include the specification of the four fields you intend to establish, but it does not have to include them.
- M.A. thesis or two research papers
- M.A exams (two)
- If you didn't already do so, you must now complete and include the Program of Studies form
- A current, unofficial UW transcript

Optional

May also include records of honors and awards, professional accomplishments, paper presentations, publications and so forth.
