

Asian Languages and Cultures MA track course lists

I. Special Coursework Requirements

Requirements are met by completing courses designated by the department as fulfilling one (or more) of the following categories: methods, language and textual analysis, and cultural context. A single course can, when appropriate, fulfill more than one category, although a given course may only be used to fulfill one category at a time.

A minimum of 10 credits of Methods coursework

A minimum of 10 credits of Language and Textual Analysis coursework

A minimum of 10 credits of Cultural Context coursework
